RE: Fixed Assets Review – Refuse Division (Project #2015-FA02)

Dear Mr. Yung:

Enclosed is the Internal Audit Section's fixed assets review report of the Refuse Division as of June 30, 2014. A description of the scope of our work is included in the report. Fieldwork was completed on September 12, 2014.

This review was made under authorization contained in Article XV, Section 2 of the Charter, City of St. Louis, as revised, and has been conducted in accordance with the *International Standards for the Professional Practice of Internal Auditing*.

If you have any questions, please contact the Internal Audit Section at (314) 657-3490.

Respectfully,

Dr. Ishmael Ikpeama  
Internal Audit Supervisor

**HONORABLE DARLENE GREEN, COMPTROLLER**

**CITY OF ST. LOUIS  
REFUSE DIVISION  
FIXED ASSETS REVIEW  
AS OF JUNE 30, 2014**

**SUMMARY**

---

**Background**

The Refuse Division is responsible for collection and disposal of residential waste and also coordinates efforts to reduce the amount of waste going to landfills, such as recycling, composting, and waste reduction. The Refuse Division manages approximately \$18.6 million in fixed assets.

**Purpose**

The purpose of this fixed assets review was to determine if the Refuse Division effectively and efficiently manages risks to ensure:

- Compliance with applicable laws, regulations, and policies and procedures.
- The proper safeguarding of assets.
- The reliability and integrity of Fixed Assets Property Listing (FAPL) reports.
- Economic and efficient use of resources.

**Scope and Methodology**

The review was confined to evaluating the Refuse Division's internal controls over its operational and physical activities pertaining to the Fixed Asset Management System (FAMS). The review procedures included:

- Inquiries of management and staff.
- Reviews for compliance with policies and procedures, as well as applicable laws and regulations.
- Limited tests of controls.
- Other procedures considered necessary.

**Status of Prior Observations**

There has been no prior review by Internal Audit of the Refuse Division's fixed assets within the past five (5) years.

**Conclusion**

The opportunity exists for the Refuse Division to improve internal controls over the management of its fixed assets and property control items. The following observation resulted from this review:

- Perform an annual physical inventory.

This observation is discussed in more detail in the *Detailed Observations, Recommendations, and Management's Responses* section of this report

**Management Response**

An exit conference was offered to management, but was declined. Management's response to the observation and recommendation was received on November 19, 2014, and has been incorporated in the report.

**DETAILED OBSERVATIONS, RECOMMENDATIONS AND MANAGEMENT'S  
RESPONSES**

**Perform Annual Physical Inventory**

The Refuse Division did not perform an annual physical inventory of the fixed assets and property control items in the last year.

Section 110.32 of the FAMS manual requires an annual physical inventory be performed by budgetary level organization of all fixed assets and property control items.

The Refuse Division had not assigned the responsibility of conducting an annual physical inventory to a specific person.

Failure to perform an annual physical inventory increases the risk that items may be lost, stolen, and misused.

**Recommendation:**

It is recommended that the Refuse Division:

- Assign an individual or individuals the responsibility of performing the annual physical inventory.
- Complete a physical inventory of fixed assets and property control items and reconcile to the fixed asset and property control records. Investigate and resolve any differences.
- Maintain documentation of the physical inventory and reconciliation.

***Management's Response:***

*The Refuse Division has assigned Mr. Daniel Seckel, Route and Safety Coordinator, to perform an annual physical inventory of the Refuse Division's fixed assets in August of each year. Documentation of physical inventory will be kept at the Street Department headquarters located at 1900 Hampton Avenue.*
